The Project

Name	Die Fundmünzen der römischen Zeit in Ungarn (FMRU)
Contact	Melinda Torbágyi Musée national de Hongrie Cabinet des monnaies Múzeum körút 14-16 1088 Budapest Hongrie torbagyi.melinda@hnm.hu
Start	1988
Planned duration (ending)	The work is not complete but it has been practically at a standstill for several years.
History / development	Dr Vera Lányi began to work on the Roman coin finds in Hungary and she was the 'project' manager until 1997 when she died. During this time two volumes were published. In 1997-2000 the <i>Fundmünzen</i> program was supported by a Hungarian Research Foundation (OTKA), during which time the third volume was compiled and published, NUMIZ program was purchased and we began to work on the coin material of a new territory (Komitat Vas-Zala). Now, however, the work is at a standstill as there is no one to do the work.
